

Find Your Place At Union Park

On warm days, the cool waters of The Cove offer a refreshing, relaxing escape. Even when it rains, the park remains a popular destination, thanks to our covered Pavilion and The Hall indoor gathering space. Our youngest neighbors enjoy the hands-on discovery of Exploration Park. Generations bond over impromptu fishing trips to the catch-and-release pond, and dogs and their humans have an off-leash Bark Park for socializing and exercising. And if you want to break a sweat, there's no better place to do it than the Fitness Park with an outdoor ninja-style fitness course, basketball, sand volleyball, pickleball, four square, a 40-yard dash and rubberized walking track. And don't forget The Rec which includes an indoor fitness center, yoga stretching room, lap swimming pool and The Splash kids splash pad.

Union Park offers best-in-class builders who craft stunning homes with timeless design and innovative technology. Whether you're looking for a move-in-ready home or want to be involved in the design process, our trusted partners have options to satisfy a range of preferences and price points.
