Little Elm, Texas

Union Park residents not only enjoy the recreational amenities of the Town of Little Elm, but can have comfort knowing emergency services are also provided by the Town, including onsite Fire Station #3.

MUNICIPAL MANAGEMENT DISTRICT

Union Park is a Municipal Management District ("MMD"). A MMD is a special district created by the State of Texas to finance facilities not provided by a municipality. A MMD has the power to levy an ad valorem tax to fund improvements inside the district, such as water, sewer, drainage, roads and park facilities. Having the MMD at Union Park also funds the maintenance and operations cost of the public park facilities within the property.

WATER & WASTEWATER TAXES

Union Park is located within the service area for the Mustang Special Utility District, which provides water and wastewater services for Union Park through a contract with the Upper Trinity Regional Water District.

Visit our website or ask your builder sales representative for the latest tax rates.

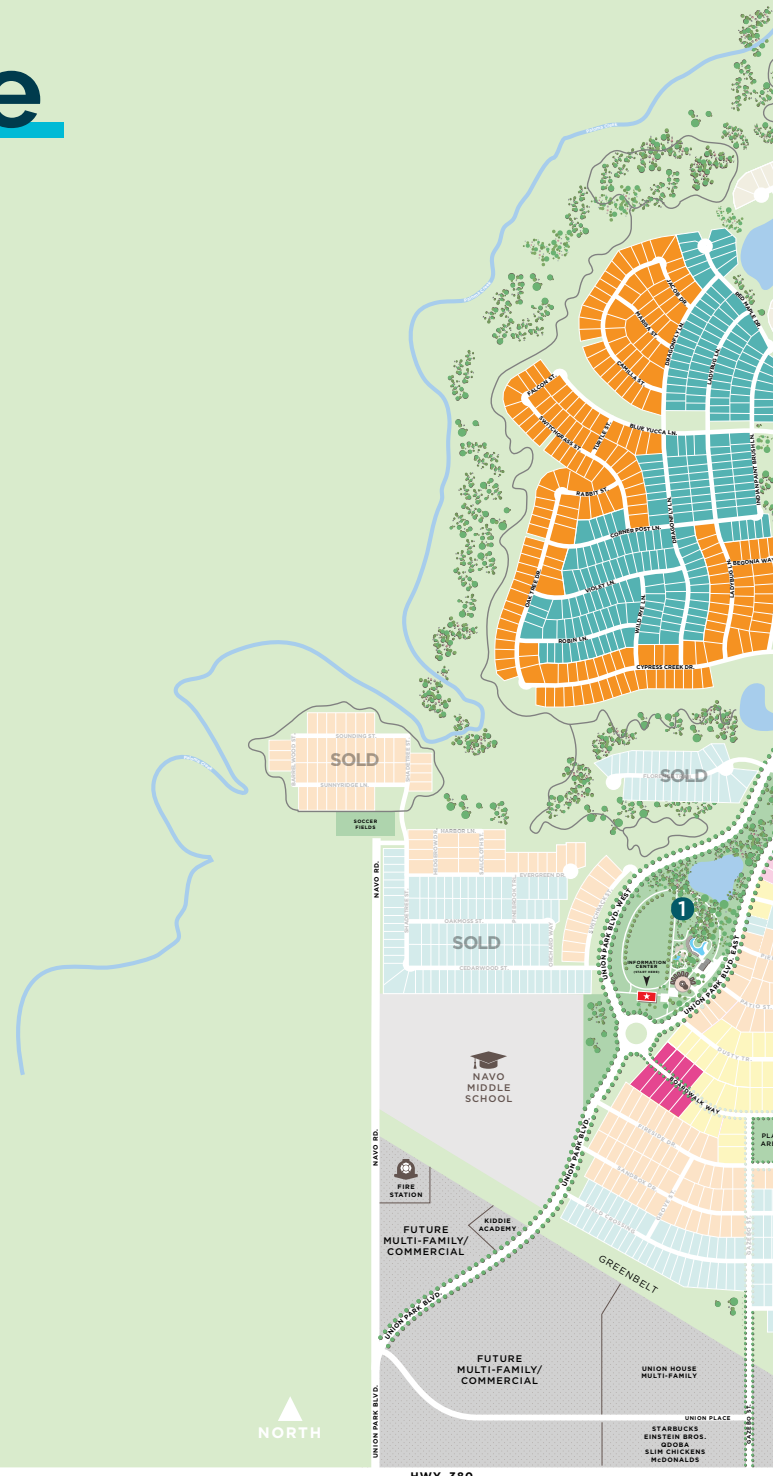

TRI POINTE GARDEN COLLECTION

Find Your Place At Union Park

On warm days, the cool waters of The Cove offer a refreshing, relaxing escape. Even when it rains, the park remains a popular destination, thanks to our covered Pavilion and The Hall indoor gathering space. Our youngest neighbors enjoy the hands-on discovery of Exploration Park. Generations bond over impromptu fishing trips to the catch-and-release pond, and dogs and their humans have an off-leash Bark Park for socializing and exercising. And if you want to break a sweat, there's no better place to do it than the Fitness Park with an outdoor ninja-style fitness course, basketball, sand volleyball, pickleball, four square, a 40-yard dash and rubberized walking track. And don't forget The Rec which includes an indoor fitness center, yoga stretching room, lap swimming pool and The Splash kids splash pad.

Union Park offers best-in-class builders who craft stunning homes with timeless design and innovative technology. Whether you're looking for a move-in-ready home or want to be involved in the design process, our trusted partners have options to satisfy a range of preferences and price points.
